1st. There are three points relating to me here which I have marked A, B, & C.

II As regards A, the resolution has been disallowed.

IInd As regards B I have in another file pointed out that this will mean an addition of about Rs. 5000 but that as there are likely to be some

Savings in other items, the extra cost may be met by reappropriations.

13. As regards a Viz grant of halting allowances to resident members during the sessions of the R. A. and the L.C., there is something to be said in favour of it. These members may have to incur some ~~cost~~ expenditure in the way of conveyance ~~allow-~~ hire and would expect to be reimbursed. The present rates are 7/8 and Rs 5 per day to L.C. members and R. A. members. The question of giving Rs. 5 & Rs 3 to resident members may be considered. This will increase the cost by about Rs. 1000 to 1200 per year.

15. Perhaps resident members might be allowed half the usual rate of daily

14 I may add that in Madras resident Members get no allowance though there is a feeling that the Government should do something in the matter.
